

UPSES Bar Committee Report

The UPSES Bar Committee was for the most part dark this year due the COVID-19 pandemic. We were able to, however, make some income doing to-go cocktails at The Portuguese Market monthly food to-go events. We want to thank Tom Madruga, Barbara Hosaka, Maria Drummond and Julieanne Souza who came down to the bar on a weekly basis to stock, accept shipments, and do inventory. They truly are a huge help to the Bar Committee and I am very grateful to have had them on my committee this past year.

Finally, We would like to thank the rest of my committee Sean Cerny, Bridgette Mack, Steve Pedro, Michelle Freitas, Rod Guidi, Marissa Bagaso, John Barbosa, Margaret Virissimo, and Natalie Virissimo for all their work and doing their best in brainstorming new fundraising ideas this past year.

In 2020 the bar made a net profit of (\$675).
