UNITED PORTUGUESE SES INC. (UPSES)*

Chairperson: Therese Garces

Co-Chairperson / Secretary: Korinne Monroig

Committee Members: Annette Balelo, Natalie Brasil

The Board of Governors Committee is responsible for updating the Bylaws and Policies & Procedures of the United Portuguese SES Inc. (UPSES), with direction provided by the Board of Directors. This Committee also serves as the liaison to the President of the UPSES to ensure its Bylaws and Policies & Procedures are being followed. The Board of Governors tracks Board of Director's absences and ensures proper notifications are reported and sent to the Board of Directors each month.

In 2020, we had three (4) Directors resign due to hardship, work commitments, and the effects of COVID-19. Three (2) other Directors were terminated due to failure to respond to termination letter.

Respectfully submitted,

Therese Garces
