*2024 Festa Coordinator Annual Report*

Festa Coordinator: Therese Garces, Cici Stanley Drummond, Jaquelyn Neves

Would like to congratulate 2024 Festa Presidents Brennand & Bridget Schoeffel on a beautiful and successful Festa. The Festa was beautiful, and Queen Briley and her entire royalty showed our community how proud they were to represent our hall, the Holy Spirit and Queen St. Isabel. Once again, congratulations on a beautiful Festa.

As all things come to an end, I handing the baton to Cici Drummond and Jaquelyn Neves. These 2 women have shown leadership and dedication to our community and are ready to take over coordinator's responsibility. To The Bryne Family wishing you all the success with your Festa. You have clearly shown us your dedication to this hall, the Holy Spirit and St. Isabel.

To Jaquelyn who coordinated all Festa weekend, so poise and with professionalism. Watching you be successful in your profession and still have the time to give back to your Portuguese community, brings me great joy. You are a great example and role model to our youth and young adults of our community.

May the Holy Spirit embrace each of you!

Respectfully submitted.
